RE: Work Item Review for G&C Equipment Corporation

Dear Mr. Hale:

This letter is regarding the recent meeting your company had with Caltrans Directory Malcolm Dougherty and Assistant Director René Halverson from the Office of Business Economic Opportunity.

Caltrans has taken the initiative to ensure all certified DVBE firms that bid on or perform on Caltrans' State funded projects are performing a commercial useful function (CUF). After careful evaluation of the information and documentation obtained as a result of the review, pursuant to Military & Veterans Code §999(b)(5)(B) (i) and (ii), your firm is deemed to perform a CUF when providing the following types of services on Caltrans projects:

<b>Work Item Description</b>	<b>G&amp;C's Role/Participation</b>
Safety Equipment Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Reinforcing Bar Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks

<b>Work Item Description</b> (Continued)	<b>G&amp;C's Role/Participation</b> (Continued)
Sign Structure Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Electrical Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Construction Area Signs Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Plumbing Materials Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks

Since we have determined your firm is providing a CUF for the specified classifications listed in the table above, the DVBE credit can ONLY be granted to the afore mentioned classifications and counted towards DVBE goals for Caltrans State funded contracts. For all other goods and services that G & C Equipment is listed for, the Contract Evaluation Unit will assess these particular work items on a contract by contract basis.

You may review your firm's information on the Department of General Services (DGS) website at <http://www.bidsync.com/DPXBisCASB>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.
